DIGITAL ARTIST

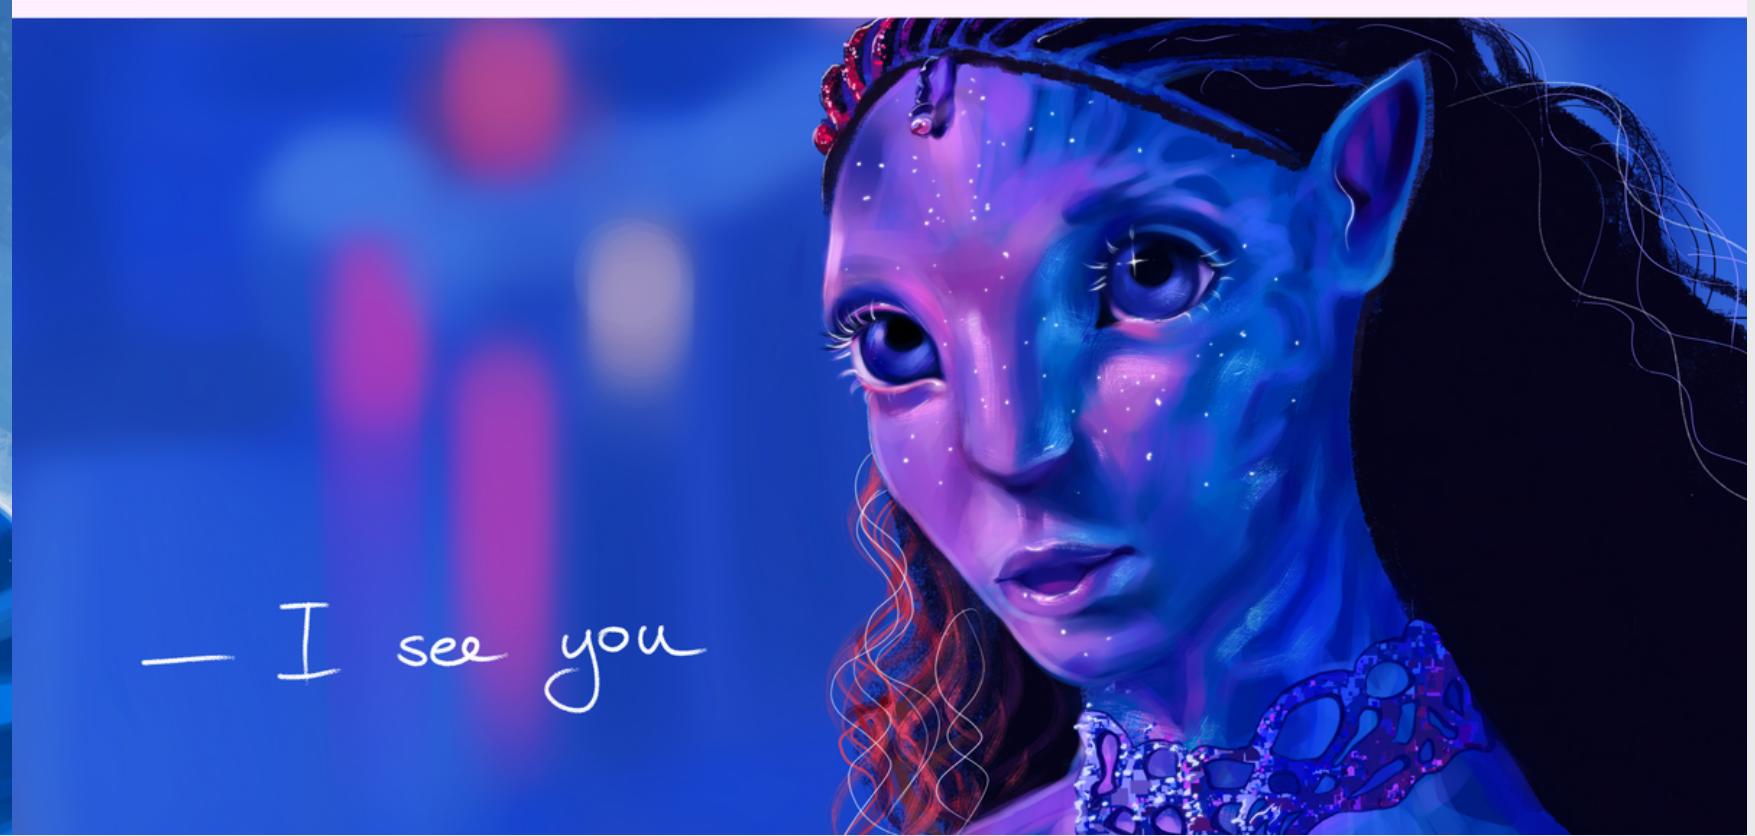

'This Moment'

Pages from my illustration book which won 1st place in 'The Higher School of Economic's Global Scholarship Competition' in Design.

The Galmah - Lupino

Scene from a music video about an outsider girl-wolf and her struggles in our society.

'Avatar' fan art

Had a new experience working with different facial structures, skin colors and patterns in different lights.

Jinx fan art

Illustrated the desperation and pain of Jinx from 'Arcane' through colors, thin line art and details.

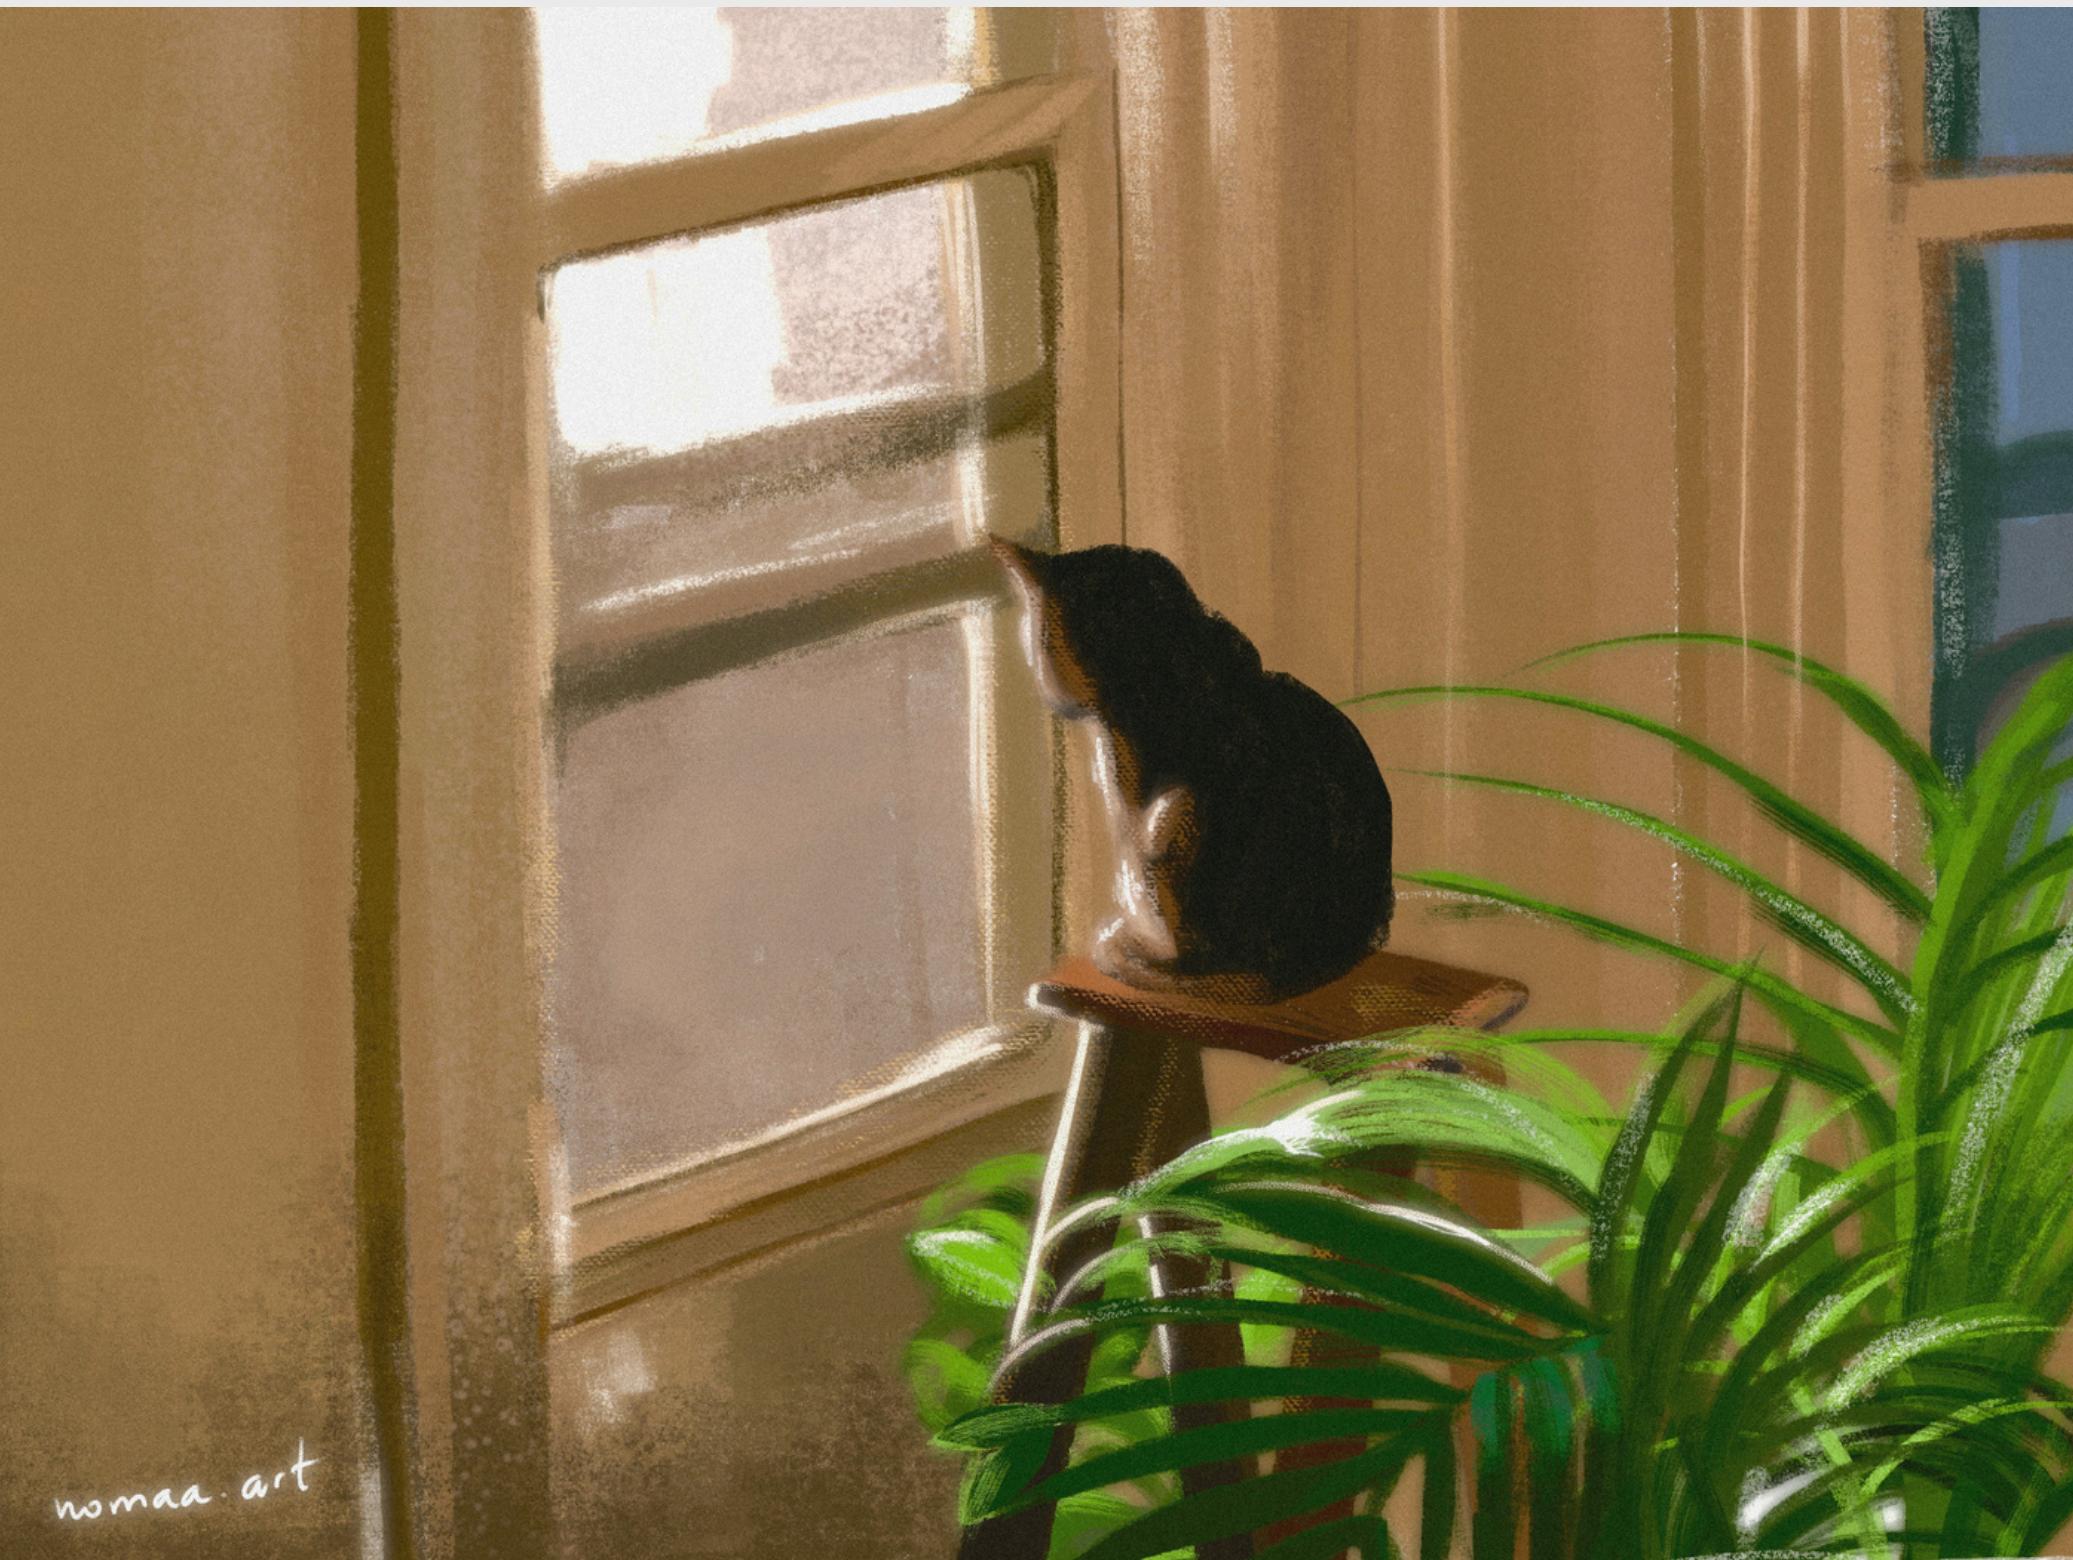

The Moon personification

Illustrated the wise and mysterious Moon whom I have always wondered why it always followed me when I was a child.

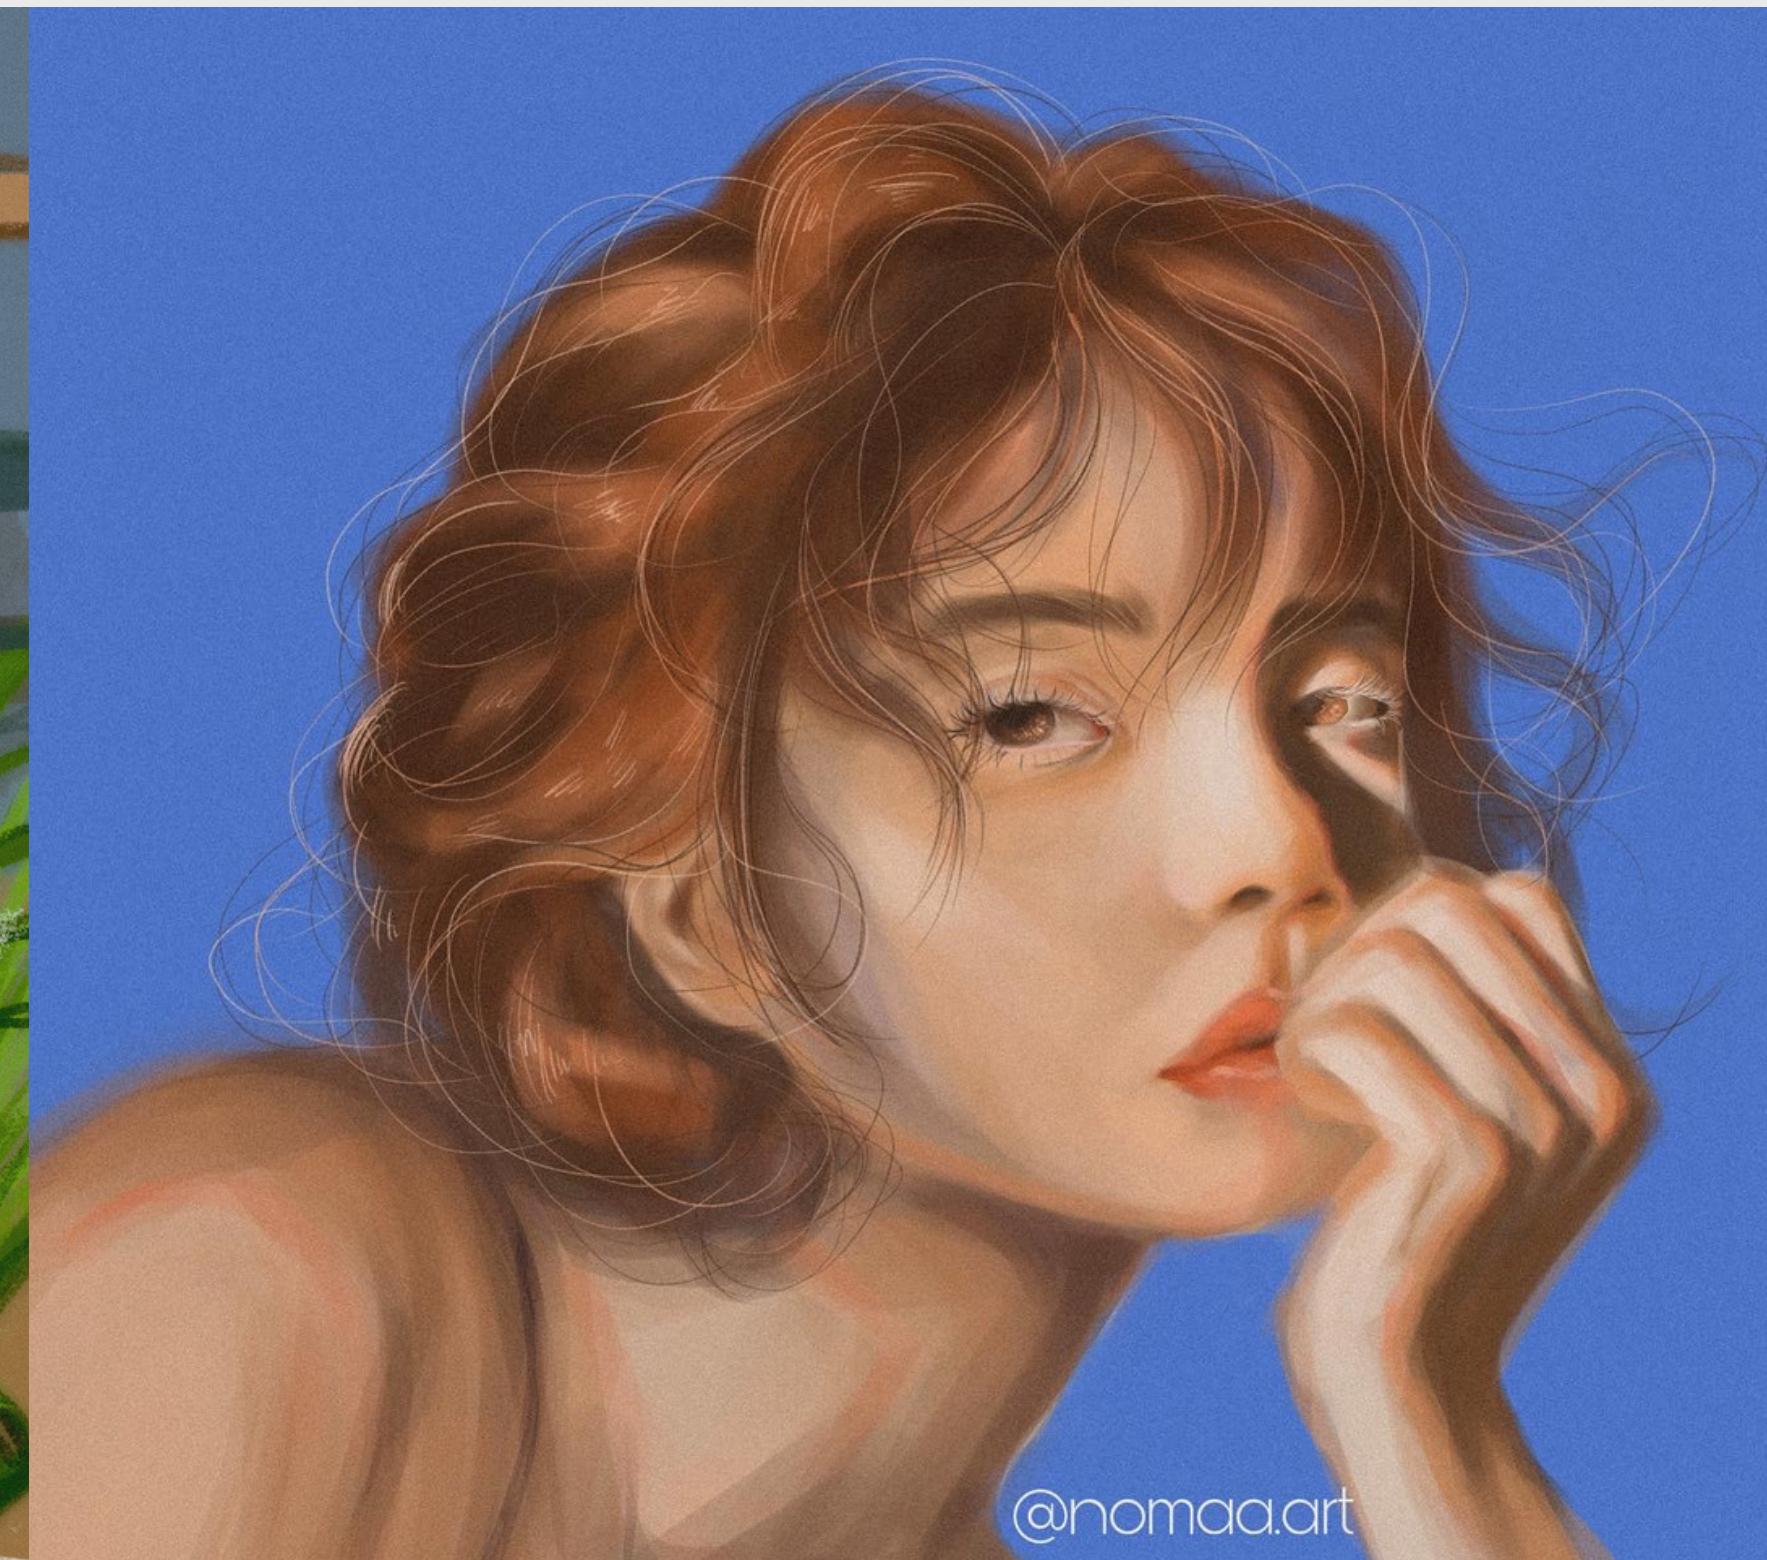

'Childhood fun'

Playing and soaking in fountain water on hot summer days were the most memorable and vivid days growing up. Illustrated carefree and innocent days of childhood.

'Peace'

'Sunkissed girl'

Character sketch

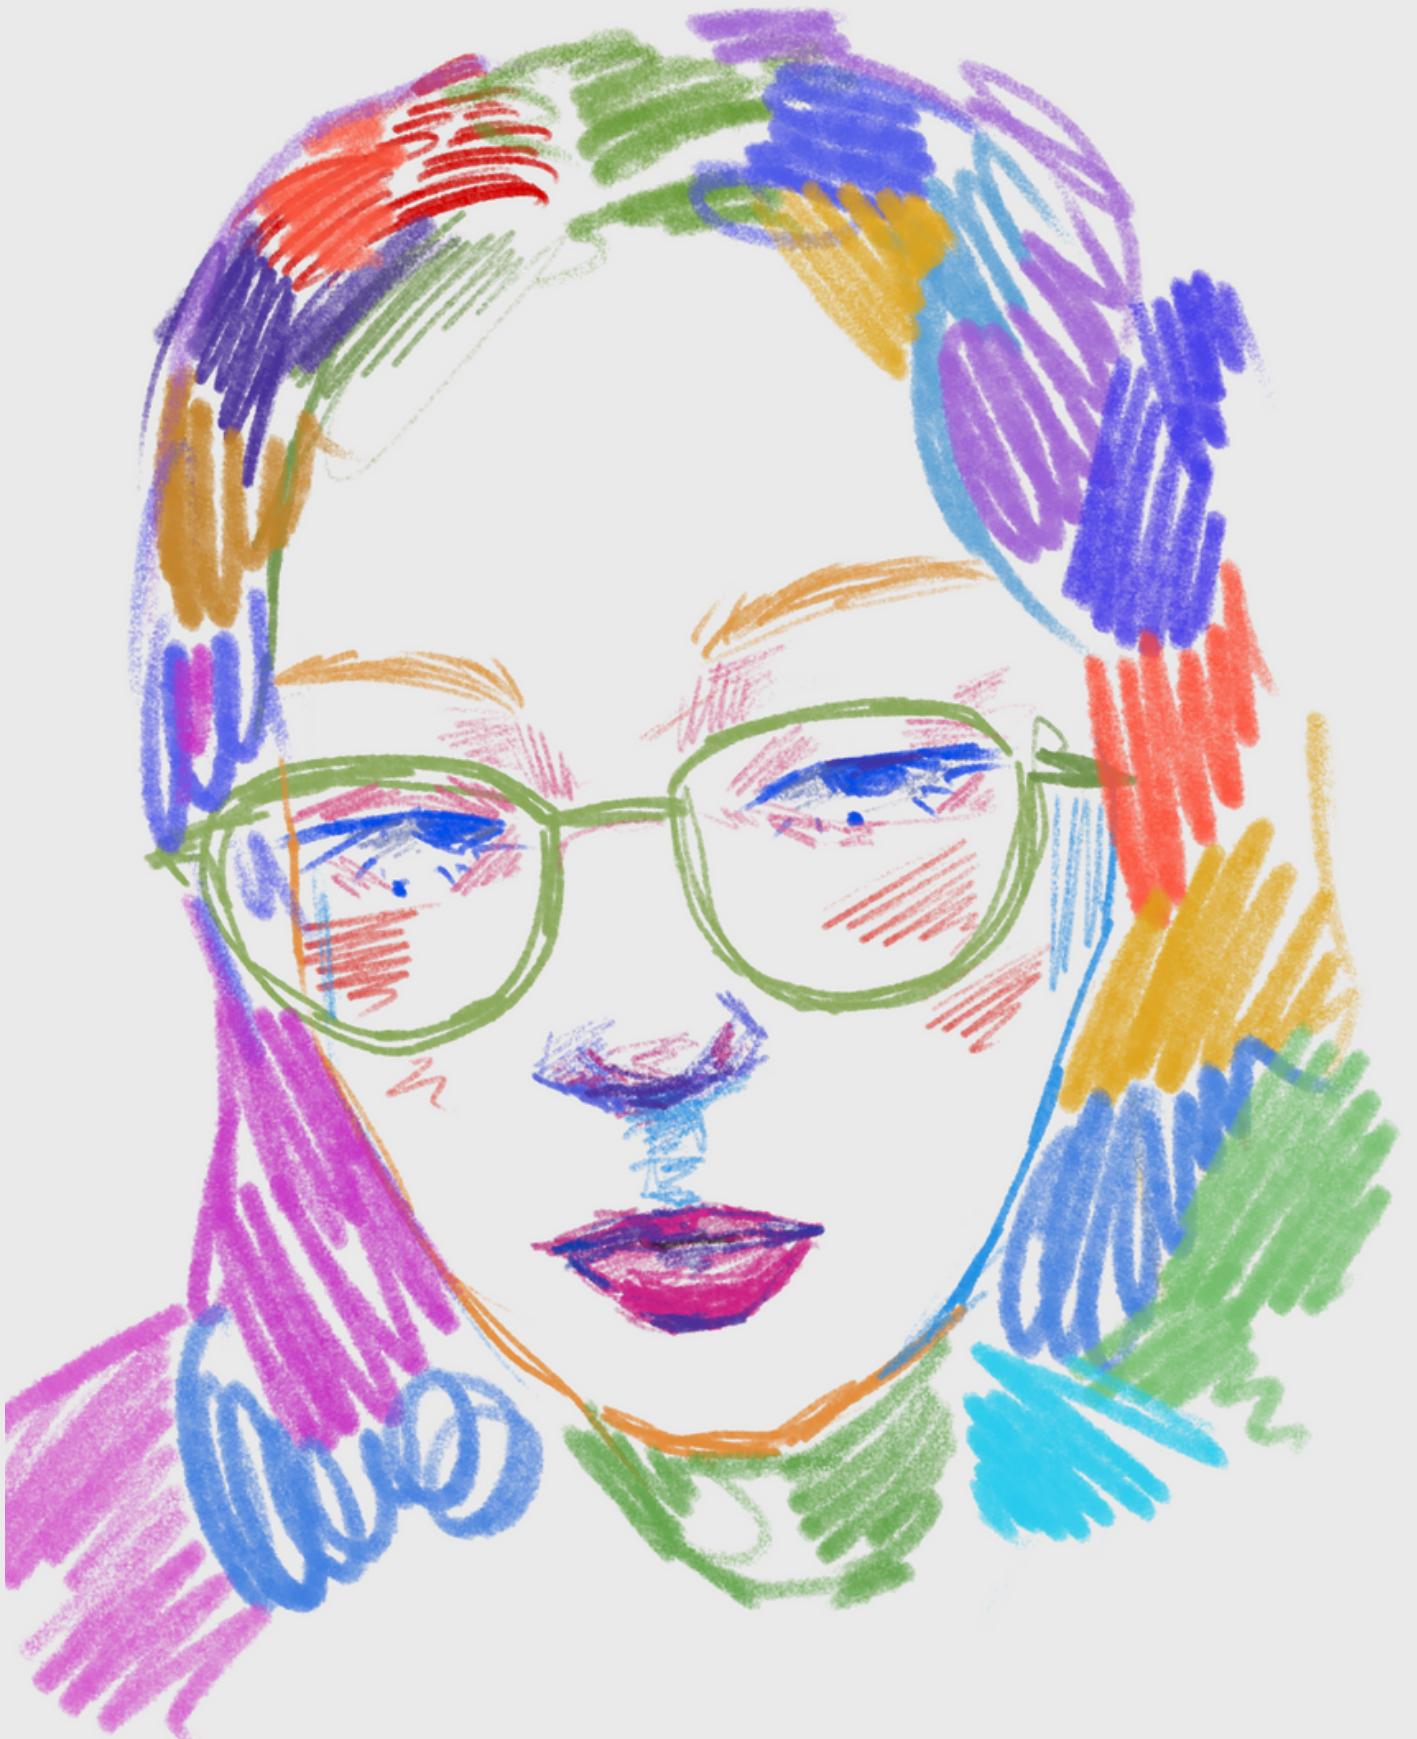

Mongolian warrior

'The prayers'

One of my most meaningful artworks about the losses and pain the Mongolian nation experienced during Stalinist repression and the hopes for bright future people kept in their hearts during hard times.
